MENU

ONTBIJT, LUNCH & DINER

Beautiful day everybody,

We are here because we all love the sea and good food. The idea is to create a second living room where everyone feels happy. Let yourself be surprised by all the beauty of nature and the atmosphere we create together. Start the day with a nice walk and then find yourself in a cozy living room where the best coffees are served, and the scent of freshly baked cakes and bread fills the air. Everything is freshly prepared by us daily, and juices are pressed à la minute. Enjoy...
